What if I told you that I think you're perfect? Beautiful sky in your eyes, it's so worth it I know You make me feel alive

What if I told you that I'm in forever? Nothing to hide, yeah, I'll go wherever You would go You make me feel alive

And I'll be hanging on Every word you say to me Hanging on a feeling that I get 'Cause you make me

Laugh a little louder Love a little harder

And I feel alive when I'm with you Every time it's something new Never knew what love could feel like Until I walked away the first time

And I feel alive when I'm with you Deep inside, it's something true You're the only reason I fight You're the best thing in my life

What if I told you that I'd never hurt you? Always be there for you to hold on to I know You make me feel alive

And every single second's
A lifetime memory
I'll be holding on each moment
'Cause you make me

Laugh a little louder Love a little harder

And I feel alive when I'm with you Every time it's something new
Never knew what love could feel like
Until I walked away the first time

And I feel alive when I'm with you Deep inside, it's something true You're the only reason I fight You're the best thing in my life

And I feel alive when I'm with you When I'm with you

And I feel alive when I'm with you Every time it's something new
Never knew what love could feel like

Until I walked away the first time

And I feel alive when I'm with you Deep inside, it's something true You're the only reason I fight You're the best thing in my life
