

## All In

Adelitas Way

...i came to win  
Everything I got, I'm all in  
Girl let it ride til (?) again  
It's a real life, I'm all in  
Pick a time, any place, any night, any day  
I'm steppin' up to the plate  
Til the day I die, I play to win  
Til the day I die, I'm all in  
(I'm all in)  
(I'm all in)

To go for the gold, history shows, gotta be bold  
(all in)  
Pushin' my gut, pushin' my luck, its so under touch  
(all in)  
From nothin to somethin', I'm rising above it  
From nothin to somethin', but f\*ck it I love it

I'm all in
