

## Blur

Adelitas Way

She must need somewhere to stay tonight  
She's not right all alone  
She must need somewhere to play tonight  
She's so tired, I should know

She's a reckless, drama, senseless and she feeds like a leech  
She's so my records that her best friends always bitching at me  
Oh, she must need something from me tonight (me tonight)  
In the blink of an eye

She's a blur (blur, blur, blur, blur)  
I'm only happy when she's leaving  
Tell myself I'm living a (blur, blur, blur, blur)  
Call me crazy, I'll be leaving  
She's so not like the other girls  
She's a blur

She must need someone that's weak tonight  
That's alright, moving on  
She's a distant memory in life, I'll get by on my own

She's got arrested while it end and now she's better at be  
And the sentence is she never got the better of me  
Oh, she must need somewhere to sleep tonight  
In the blink of an eye

She's a blur (blur, blur, blur, blur)  
I'm only happy when she's leaving  
Tell myself I'm living a (blur, blur, blur, blur)  
Call me crazy, I'll be leaving  
She's so not like the other girls  
She says she's not like these other girls  
I think she's right, I think she's worse  
I can't describe her, there are no words  
I can't describe cause she's a blur

She's a blur (blur, blur, blur, blur)  
I'm only happy when she's leaving  
Tell myself I'm living a (blur, blur, blur, blur)
