

# Fly

Adelitas Way

Oh sometimes I feel so fly  
Oh sometimes I get so high

Order up a black car benz come and get me  
Aanna spend the night gettin lit up in the city  
If it's five star might just pop in  
Get that 1942 bottle poppin  
Who says it's a crime if you're feeling yourself  
I sure as hell don't need no help

Oh sometimes I feel so fly  
Oh sometimes I get so high  
I just might never come down  
Never felt better then I do right now  
Oh sometimes I feel so fly

Sometimes I'm on a roll feel like I hit a another level  
If it ain't a hundred you know I ain't gonna settle  
Nothings off limits if I love it  
If I'm feeling it I ain't got a budget  
Who says it's a crime to be feeling yourself  
I sure as hell don't need no help

Oh sometimes I feel so fly  
Oh sometimes I get so high  
I just might never come down  
Never felt better then I do right now  
Oh sometimes I feel so fly  
Oh sometimes I feel so fly  
Oh sometimes I feel so fly  
Oh sometimes I get so high

Oh sometimes I feel so fly

Oh sometimes I feel so fly  
Oh sometimes I get so high  
I just might never come down  
Never felt better then I do right now  
Oh sometimes I feel so fly  
Sometimes I feel so fly  
Oh sometimes I feel so fly  
Oh sometimes I feel so fly  
Oh sometimes I get so high  
Oh sometimes I feel so fly  
Oh sometimes I feel so fly  
Oh sometimes I feel so fly  
Oh sometimes I feel so fly
