

# Ghost

Adelitas Way

Spittin venom outta your mouth  
Kinda crazy how fast  
You and me went south  
Always playing games  
Wanna know where I'm at  
Never give it to me straight  
Always putting on a act

Honestly, I'm about done putting up with your shit  
But you never listen, never take a hint

So I gotta ghost  
Imma be gone in a flash like Casper  
Couldn't do it faster  
Yeah I gotta go  
I'm so outta here, it ain't funny  
I'm good, I'm great, I'm grand, I'm money  
Keep you on your toes  
You already know  
Don't think that I won't  
So I gotta ghost  
Yea I gotta ghost

Imma disappear  
Like I was never here  
Like you won't find a trace  
Like zero, like nada, like nothing  
Imma lighten up my load  
Send you packing down the road  
No stress, not worried about nothing

I ain't gonna write, no I ain't gonna call (nope)  
You won't be hearing from me at all

So I gotta ghost  
Imma be gone in a flash like Casper  
Couldn't do it faster  
Yeah I gotta go  
I'm so outta here, it ain't funny  
I'm good, I'm great, I'm grand, I'm money  
Keep you on your toes  
You already know  
Don't think that I won't  
So I gotta ghost  
Yea I gotta ghost

Ghost, ghost, ghost, ghost  
Ghost, ghost, ghost, ghost

I ain't gonna write, no I ain't gonna call  
You won't be hearing from me at all

So I gotta ghost  
Imma be gone in a flash like Casper  
Couldn't do it faster  
Yeah I gotta go  
I'm so outta here, it ain't funny

I'm good, I'm great, I'm grand, I'm money  
Keep you on your toes  
You already know  
Don't think that I won't  
So I gotta ghost  
Yea I gotta ghost
