

## Good Enough

Adelitas Way

I know what's coming  
You've taken me down this road before  
Something's missing  
Too many times you've let me know

I am trying to make it the way it used to be  
Back when all you said that you'd need was the best of me

If I gave you the ocean  
You would ask for the sun  
But if I gave you that sunlight  
You would say it's not what you want  
And I give, and I give, and I give  
But I don't give up  
There was a time  
When my best was good enough

Sometimes I wish I could walk away and not think twice  
I can't get past the thought of you in someone else's life  
Can I keep you if I try?  
Can I make it right?

If I gave you the ocean  
You would ask for the sun  
But if I gave you that sunlight  
You would say it's not what you want  
And I give, and I give, and I give  
But I don't give up  
There was a time  
When my best was good enough

Can I keep you if I try?  
Can I make it right?

If I gave you the ocean  
You would ask for the sun  
But if I gave you that sunlight  
You would say it's not what you want  
And I give, and I give, and I give  
But I don't give up

There was a time  
When my best was good enough (3x)
