

# Heartbreak

Adelitas Way

...

Feels like love is always gettin' the best of me

(best of me)

Heartbreak

You had my heart inside your hands and you played with me (played with me)

Heartbreak (heartbreak)

Heartbreak (heartbreak)

Heartbreak (heartbreak)

I am so sick inside

Its diggin' down to the bone

No matter how I try to keep my head up high

But it still ain't right

Cause I'm reelin'

And I'm feelin'

Heartbreak

Feels like love is always gettin' the best of me

(best of me)

Heartbreak

You had my heart inside your hands and you played with me (played with me)

Heartbreak (heartbreak)

Heartbreak (heartbreak)

Heartbreak (heartbreak)

(love is always gettin' to me)
