

I Know It All

Adelitas Way

Walk into the room with your head high
Never listen 'cause your busy giving bad advice
You try to tell me how I should do my thing
You say you know how it goes 'cause your big time
What's going on in your mind in the meantime?
Insecure but sure of everything

Hey there you're a know it all a one upper, a motherfucker
Hey there you're a know it all, you're a know it all, you're a
know it all
Hey there you're a know it all a one upper, a motherfucker
Hey there you're a know it all, you're a know it all, you're a
know it all

Every time that you talk it's a big show
Never heard you say the words I don't know
You'll feed your ego anything
Why don't you tell me what to name my first kid?
Show me how to blow my money like you did
You can even tell me what song to sing

Hey there you're a know it all a one upper, a motherfucker
Hey there you're a know it all, you're a know it all, you're a
know it all
Hey there you're a know it all a one upper, a motherfucker
Hey there you're a know it all, you're a know it all, you're a
know it all

I don't know what do you want?
You don't know who I am
I don't know what do you want?

Hey there you're a know it all a one upper, a motherfucker
Hey there you're a know it all, you're a know it all, you're a
know it all
Hey there you're a know it all a one upper, a motherfucker
Hey there you're a know it all, you're a know it all, you're a
know it all
