

It's A New Day

Adelitas Way

It's a new day (It's a new day)
It's a new generation (It's a new generation)
It's a new day (It's a new day)
Now we never look back
No we're never looking back

Don't you ever tell us "No"
Don't you tell us where to go
Don't ever tell us who to be
They will pay more
It's our legacy

Every time I feel the past
It's always there but it can't last
It's a game to play to find our place in time (You can't feel t
ime is on your side)
Every day I watch the sun
Rise and fall on everyone
But today I wake and make tomorrow mine

It's a new day (It's a new day)
It's a new generation (It's a new generation)
It's a new day (It's a new day)
Now we never look back
No we're never looking back

Don't you ever tell us "No"
Don't you tell us where to go
Don't ever tell us who to be
They will pay more
It's our legacy

It's a new day (It's a new day)
It's a new generation (It's a new generation)
It's a new day (It's a new day)
Now we never look back
No we're never looking back

Don't you ever tell us "No"
Don't ever tell us who to be
It's our legacy
