

Pushing My Limits

Adelitas Way

I keep pushing my pushing my pushing my limits
When you gonna when you gonna when you gonna get it
Never quit never quit so I stay winning pushing my
Pushing my pushing my limits

If I'm gonna go I'm gonna go until I max out
Never give up no I never tap out
I like to live my life on the redline
Putting in work putting in my time
In pursuit of nothing but greatness so what I'm saying is

I keep pushing my, pushing my, pushing my limits
When you gonna when you gonna when you gonna get it
Never quit never quit so I stay winning pushing my
Pushing my pushing my limits
Pushing my limits
Pushing my limits
Pushing my
Pushing my pushing my limits

Once I hit the mark then I gotta go one up it
Never stay in a lane gotta keep it coming
I always come to the table with my very best
Lleave with no regrets, yes

I keep pushing my, pushing my, pushing my limits
When you gonna when you gonna when you gonna get it
Never quit never quit so I stay winning pushing my
Pushing my pushing my limits
Pushing my limits
Pushing my
Pushing my pushing my limits

I keep pushing til my last breath
I keep pushing til the very end
I keep, I keep

I keep pushing my, pushing my, pushing my limits
When you gonna when you gonna when you gonna get it
Never quit never quit so I stay winning pushing my
Pushing my pushing my limits
Pushing my limits
Pushing my
Pushing my pushing my limits
Pushing my limits
