All for Nothing

Adhesive

“All For Nothing”
Out of sight and out of mind
So out of sight and you don't mind
This time I see through you, thrusting a thorn into my side
Where do you draw the line
How low can you go before your back hits the floor

(YOU FORCE ME TO BELIEVE) THAT I'M THE ONE TO TAKE THE BLAME
(NOT FOR THE CAUSE)
NOT FOR THE CAUSE BUT FOR THE FAME
(WHEN YOU REALIZE)
WE WON'T COMPLETE WHAT YOU'VE BEGUN
IT'S ALL FOR NOTHING

Subliminal like in a dream, a sudden flash before my eyes.
Like a thousand times before, I see through your clever disguis
e
Where do you draw the line
How low can you go, before your back sweeps the floor

YOU FORCE ME…
