

Punk Is A Bunch Of Kids With Funny Haircuts

Adhesive

Even though you will never understand
it seems like your definition of punk is in the bottle in your
hand

All I see in your "alternative lifestyle"
is a fashion clown just going through a phase

Your life is for you to live it,
but please don't use punk as a cheap excuse
for acting like an idiot!

All I see in your "alternative lifestyle"
is a fashion clown just going through a phase

Make sure the hole you're digging
is deep enough for you to fall down...
