

# The Everyday Limbo

Adhesive

When things go wrong, as they sometimes will  
When the road you're walking seems all uphill  
When the cost of living leaves you wondering why  
You'd like to crack a smile, but you have to cry

When all the world is looming dark  
And things seem not so clear  
When the shadows seem to hover around  
Take the challenge, don't have no fear

This life is odd, with it's twists and turns  
It's something almost everyone someday will learn  
But don't you ever give in, though the pace seems slow  
You've got to take this challenge with another blow

When all the world...
