

# All About U

Adina Howard

Baby, baby, baby  
Baby, baby, baby  
It's all about you  
It's all about you

Baby, if it was left up to me  
I would give you any and everything  
I would write your name across the sun  
So when it shines I could show everyone

It's all about you (It's all about you, baby it's all about you)  
It's all about you (Hmmm in case you didn't know)  
I'm telling you (Baby it's all about you)  
It's all about you (Ahhh-ah-ah)  
Baby, baby, baby  
Baby, baby, baby  
It's all about you (All about you hey)  
It's all about you (In case you didn't know)

I believe you were meant for me  
Ain't no doubt, 'cause I could not see  
My life without you around  
In emptiness I would surely drown

It's all about you (It's all about you, baby it's all about you)  
It's all about you (Yeah in case you didn't know)  
I'm telling you (I'm tellin' you baby it's all about you)  
It's all about you (It's all about you my baby, it's all about you my baby)  
Baby, baby, baby  
Baby, baby, baby  
It's all about you (It's all about you baby)  
It's all about you (In case you didn't know)

You know me, I can go more ways than one  
Keep it real and you can get what you want  
I bet you don't know what you do to me  
'Cause if you knew, I wouldn't have to say a thing

It's all about you (It's all about you, yeah)  
It's all about you (Baby in case you didn't know)  
I'm telling you (Baby the way I feel)  
It's all about you (Ah-ah, ah-ah)  
Baby, baby, baby  
Baby, baby, baby  
It's all about you (Yeah baby it's all about)  
It's all about you (In case you didn't know)

It's all about you  
It's all about you (Yeah in case you didn't know)  
I'm telling you (Oh, I'm gonna tell you)  
It's all about you (I want you baby)  
Baby, baby, baby  
Baby, baby, baby  
It's all about you...
