Another Level (Interlude)

Adina Howard

Taste my aphrodisiac
Let it saturate your veins
Let me feel your desires
Pleasure in pain
Now let's take it to another level
Bondage, ménage à trois
Let your imagination run free
Feel the rush of ecstasy
Don't be afraid
Come here, put your ass in the air
Let me taste you from behind
It will blow your mind
Hmm, stimulating isn't it
The moaning
The sweat
The hot wax
Pouring down
Your back
Don't be shy
It's all a part of the game

Come into my house
I've been waiting for you (Uh, mmmm)
Come into my house
I've been waiting for you
