

L.O.V.A.

Adina Howard

Lova, lova, lova, lova, lova, lova
Ooh, hey yeah

You're sexy
How you look at me baby
I'm just tryna let go
Let you live in me
It never gets old
The more you taste me
Got me thinking things baby
Boy you make me go crazy
Save me
Take me
L.O.V.A

L.O.V.A
Boy won't you come 'round my way
'Round and 'round, break me down
Oh oh, oh oh, oh oh oh
L.O.V.A
Boy won't you come 'round my way
Let it go, let it flow
'Til the cops come poundin' in the do'

No one give you love like me, no
Can't nobody run, run it like me
I give it to you good boy, come see
Can't nobody run, run it like me
Let your body go, go, go-ooo
Just go, go, go-ooo
Come back to me boy
You'll be my L.O.V.A

L.O.V.A
Boy won't you come 'round my way
'Round and 'round, break me down
Oh oh, oh oh, oh oh oh
L.O.V.A
Boy won't you come 'round my way
Let it go, let it flow
'Til the cops come poundin' in the do'

Oh lova. I love the way you go down low
Oh lova, I love the way you wind real slow
Move your body, close to me
We can do things, get nasty
Oh lova. I love the way you go down low
Oh lova, I love the way you wind real slow
We can do things, get sexy
It's the weekend, follow me

L.O.V.A
Boy won't you come 'round my way
'Round and 'round, break me down
Oh oh, oh oh, oh oh oh
L.O.V.A
Boy won't you come 'round my way

Let it go, let it flow
'Til the cops come poundin' in the do'

Oh lova
Oh lova
