

Nasty

Adina Howard

Shorty like it better with the lights off (With the lights off)
She know what to do when the lights go off (I know what to do)
She's nasty (Nasty)
I tell ya (Nasty)
She's nasty I tell ya

Shorty like it better with the lights off (With the lights off)
She know what to do when the lights go off (I know what to do)
She's nasty I tell ya
She's nasty I tell ya

(Babe 'cause I can make it nasty)
Until the day and until the dawn
(Make it nasty and baby we can make it nasty)
All through the night until the early morn'
(Make it nasty and baby make it nasty)
Come on and I will take you to my crib give you what you need
(Make it nasty and baby we can make it nasty)
Anytime of day it's all good for me
(Make it nasty, make it, make it nasty)

I want a freak in the morning, a freak in the evening
Just like me
I need a nasty brother that can satisfy me
Just for me, oh yeah
'Cause I know what to do to make it nasty
I know what to say to make it nasty
If you ready boy I'm down to make it nasty
I can only make it nasty for daddy

I finally got some time yeah
Out to grind yeah
Told my guys on the side yeah
Goodbye yeah
You been all up on my mind yeah
My mind yeah
When you finally hit my line yeah
We can make it nasty

If you're that kind of man
'Cause I'm that kind of girl
I've got a nasty secret
Everybody sing
'Cause we don't give a damn about a thing

Shorty like it better with the lights off (With the lights off)
She know what to do when the lights go off (I know what to do)
She's nasty (Nasty)
I tell ya (Nasty)
She's nasty I tell ya

You say, you say
That you're ready for me baby
Tonight I'll lay it all on the line
So I say don't make me wait in my T-Shirt and my Panties
My Nasty Grind is waiting tonight
(Make it nasty, make it, make it nasty)

If you're that kind of man
'Cause I'm that kind of girl
I've got a nasty secret
Everybody sing
'Cause we don't give a damn about a thing, ooh

Shorty like it better with the lights off (With the lights off)
She know what to do when the lights go off (I know what to do)
She's nasty (Nasty)
I tell ya (Nasty baby)
She's nasty I tell ya (Oh oh)
