

# Run It

Adina Howard

Yeah, yeah  
This time it'll be different  
I want all of mine, all of mine  
Listen

Uh oh oh oh oh, uh oh oh oh  
Run it (I want all of mine, all of mine)  
Uh oh oh oh oh, uh oh oh oh  
Run it (Please don't make this harder than it needs to be)  
Uh oh oh oh oh, uh oh oh oh  
Run it (Better have my money I want everything you owe me)  
Uh oh oh oh oh, uh oh oh oh (I want all of mine, all of mine oh)  
Run it

Go  
Couple shots in the air like wha (Hands up)  
I want everybody's hands up now  
It's a stick up, stick up, stick up  
Go 'head and back up all my shit up, shit up, shit up, shit up  
Don't make a move, get down on the ground  
Pay me my respect or it will go down

Please don't make this harder than it needs to be  
Betta have my money, my money  
I want everything you owe me  
It's mine  
I'mma leave with what I came to get  
I ain't wasting no time  
I'll throw a fit just to get all my shit  
I won't leave it behind  
I came to far just to let it all strip  
Nothing left to decide  
Nothing left to decide  
Run it

Uh oh oh oh oh, uh oh oh oh  
Run it (I want all of mine, all of mine)  
Uh oh oh oh oh, uh oh oh oh  
Run it (Please don't make this harder than it needs to be)  
Uh oh oh oh oh, uh oh oh oh  
Run it (Better have my money I want everything you owe me)  
Uh oh oh oh oh, uh oh oh oh (I want all of mine, all of mine oh)  
Run it

I want the power, respect, one hell of a check  
For the struggles that I have been through  
It's my time to be blessed  
I know that I'm next  
Is it fear or success that I'll choose  
It's a stick up, stick up, stick up  
Go 'head and back up all my shit up, shit up, shit up  
(Get down on the ground)  
Everybody down on the ground (On the ground)  
Tell me who's got the last laugh now

Please don't make this harder than it needs to be  
Betta have my money, my money

I want everything you owe me  
It's mine  
I'mma leave with what I came to get  
I ain't wasting no time  
I'll throw a fit just to get all my shit  
I won't leave it behind  
I came to far just to let it all strip  
Nothing left to decide  
Nothing left to decide  
Run it  
(Get down on the ground)

Uh oh oh oh oh, uh oh oh oh  
Run it (I want all of mine, all of mine)  
Uh oh oh oh oh, uh oh oh oh  
Run it (Please don't make this harder than it needs to be)  
Uh oh oh oh oh, uh oh oh oh  
Run it (Better have my money I want everything you owe me)  
Uh oh oh oh oh, uh oh oh oh  
Run it
