

# Always on the Run

Admiral Freebee

Always on the run  
Always on the run  
Bye bye, baby  
Baby, goodbye  
I'm going away  
Bye bye, baby  
Baby, so long  
I gotta go to Rome  
Don't ever try to change me  
I've been in this thing to long  
I've got my mind made up  
I've got my mind made up  
Said I'm long gone, baby  
I'm leaving now, I'm leaving now  
I'm long gone, baby  
I'm leaving now, I'm leaving now  
I'm always on the run  
For the man I've become  
Always on the run  
Always on the run  
(For the man I've become)  
Always on the run  
Always on the run  
Bye bye, baby  
Baby, goodbye  
I'm going away  
And there's nothing you can do or say  
To make me change my mind and stay  
I've got my mind made up  
I've got my mind made up  
I only want to be there  
Between the first looks and the last farewell

Married to the mystery  
And married to my rebel yell  
Said I'm long gone, baby  
I'm leaving now, I'm leaving now  
I'm long gone, baby  
I'm leaving now, I'm leaving now  
I'm always on the run  
I need my freedom  
Always on the run  
(Always on the run)  
Always on the run  
(Time to move on)  
Always on the run  
(Yeah, I'm always on the run)  
Always on the run  
I said, the more I need love  
The more I want revolution  
And the more I make revolution  
The more I want love  
But not with you, baby  
(I'm leaving now)  
Always on the run  
(Always on the run)  
Always on the run

(Always on the run)  
Always on the run  
(Yeah, I'm always on the run)  
Always on the run  
(I need my freedom)
