

## Bad Year For Rock 'n' Roll

Admiral Freebee

I was at the kind of party where I said I wouldn't go  
Look at Vanessa putting on that nasty show  
Her look's my language, it fits like piece and carrots  
But she prefers to go home with the faggats  
It's a bad year for rock 'n' roll  
It's a bad year for rock 'n' roll  
It's a really bad town for rock 'n' roll  
I parked my Volvo horse across the boulevard  
And I started singing opera in a karaoke bar  
It's a strange town and I can't find my place  
What a man has to do to get a decent blow-job these days  
It's a bad year for rock 'n' roll  
It's a bad bad year for rock 'n' roll  
It's a really bad town for rock 'n' roll  
Doesn't anybody know how that feels  
If my brother's is out on a date, I sit home to masturbate  
I switch on MTV and hocus-pocus  
An erection in my pants and it ain't got a purpose  
I'm switching to the other channels and I don't know which one  
to focus  
It's a bad year for rock 'n' roll  
It's a bad bad year for rock 'n' roll  
It's a really bad town for rock 'n' roll  
Doesn't anybody know how that feels  
Doesn't anybody have rock 'n' roll dreams  
It's a bad year for rock 'n' roll  
It's a bad bad year for rock 'n' roll  
It's a really bad town for rock 'n' roll
