

# Boy You Never Found

Admiral Freebee

To all the golden  
Sundowns I spent alone  
My spirit grows  
Wherever it may roam  
To all the golden  
Girls I followed home  
Part of me she carries  
And part of me she holds

Keep in touch girl  
I'll see you around  
'Cause maybe I'm the boy  
Maybe I'm the boy  
That you never found

A few days ago  
I was standing at a check-out stand  
And I saw Vanessa standing in line  
And man, she looked pretty much the same  
As the picture I got from the internet  
Now hanging in a frame  
So part of me she carries  
And part of me she holds

Keep in touch girl  
I'll see you around  
'Cause maybe I'm the boy  
Maybe I'm the boy  
Maybe I'm the boy  
That you never found

'Cause maybe I'm the boy  
Maybe I'm the boy  
Maybe I'm the boy  
That you never found

Maybe I'm the boy  
Maybe I'm the boy  
Maybe I'm the boy  
That you never found
