

# Choke and Killswitch System

Adolescents

Pour a tanker on ice  
Have a drink on Exxon  
Here's a toast to the host  
With the most to gain  
This ain't a matter of restraint  
No more  
This is war

Wipe that Trail of Tears  
Watch the pipelines crash and burn  
Sacred lands  
See the pipeline burst under Pacific sand  
This ain't a question of restraint  
No more

Choke and kill  
Killswitch system  
Choke and kill  
Killswitch system  
Choke and kill  
Killswitch system

Choke and kill  
Killswitch system  
Choke and kill  
Killswitch system  
Choke and kill  
Killswitch system
