

## Destination Nowhere

Adolescents

You know more than you're saying  
And you keep, you keep delaying today  
It's just a game that you play.

You keep on instigating  
While I, I keep awaiting today  
It's just a game that you play.

Believing  
Deceiving  
You're leaving  
Your destination?  
Nowhere.

I can't tell if everything's fine  
Or if your out, out of your fucking mind  
Because it's how you unwind.

I wait, hesitating  
While you keep on instigating you say  
That it's a game that you play.

Believing  
Deceiving  
You're leaving  
Your destination?  
Nowhere.

There ain't no attraction in this game  
No satisfaction, no way  
Fuck this game that you play.

Believing  
Deceiving  
You're leaving  
Believing  
Deceiving  
You're leaving  
Destination nowhere
