A story that became cruel  
Happiness is all lies  
The law is not obeyed  
Poke one drop at a time  
Maybe crazy like this  
I don't even know who I am

Like a rainbow  
On my heart, on my mind  
Oh, it's all like a flower  
Oh, my, my, oh, my gosh  
Don't forget to smile  
Smile, tear it apart  
Round and round the merry-go-round

Make you dance  
Arsy-varsy, move your body  
Make you dance  
Na, na, na, na, na, na, na, na, na, na  
Na, na, na, na, na, na

Red light  
Even the urgently ringing alarm is thrilling, more  
Code blue  
That black and white world without colour is an emergency patient

Like a rainbow  
On my heart, on my mind  
Oh, it's all like a flower  
Oh, my, my, oh, my gosh  
Don't forget to try  
Dance, break it  
Round and round the merry-go-round

Make you dance  
Arsy-varsy, move your body  
Make you dance  
Na, na, na, na, na, na, na, na, na, na  
Na, na, na, na, na, na

The screaming sound is somehow in harmony  
I'm ready, hurry up and lock the door, all night long

Make you dance  
Na, na, na, na, na, na, na, na, na, na  
Na, na, na, na, na, na
