

## Face to Face

Adrian Belew

Most of our lives  
we await your embrace  
and to know what it's like  
when we meet face to face

And to know what it's like  
when we meet face to face  
Is it a beginning, a continuing  
toward the end  
is it a beginning, a continuing  
toward the end

Most of our lives  
we await your embrace  
and to know what it's like  
when we meet face to face  
  
is it a beginning toward the end
