

Not Alone Anymore

Adrian Belew

You always said that I'd be back again
That I'd come running to you in the end
I thought that you were on your own
And now I find you're not alone

I'll see you through the rain
Through the heartache and pain
It hurts like never before
You're not alone any more

You always said that I would know someday
Just how it feels when your love walks away
I let you down I let you go
I lost you, how was I to know

I'll see you through the rain
Through the heartache and pain
It hurts like never before
You're not alone any more

I never knew I could feel this way
I never could see past yesterday
You feel that everything is gone
I feel it too, you're not alone

I'll see you through the rain
Through the heartache and pain
It hurts like never before
You're not alone any more
