

Can't Sleep

Adrian Lux

I can't sleep when the sun goes down

I can't sleep when the sun goes down
Just want to feel like we're together

It's going on forever
Things will never change
When I'm close to heaven
You are acting strange

Nothing but illusion
I don't feel at all
But everything makes sense now
Even when we fall

I can't sleep when the sun goes down
Just want to feel like we're together

I can't sleep when the sun goes down
Just want to feel like we're together

I can't sleep when the sun goes down
Just want to feel like we're together

I can't sleep when the sun goes down

I can't sleep when the sun goes down

It's going on forever
Things will never change
When I'm close to heaven
We don't want to wait

We don't want to wait

I can't sleep when the sun goes down
Just want to feel like we're together

I can't sleep when the sun goes down
Just want to feel like we're together

I can't sleep when the sun goes down
Just want to feel like we're together

I can't sleep when the sun goes down
Just want to feel like we're together
