

Sooner Or Later

Adrian Lux

Pray for a lonely view
We crave the silent tune
Take cover in my arms
Away from everyone

You'll be safe from dangers tonight
Wait for an oasis to arise
Hold on, don't scream
Sooner or later those skies will fade

Sooner or later
Sooner or later

Sooner or later
Sooner or later

Stay warm in the coldest tune
We face the darkest truths
Take comfort in this calm
A long way from where we've gone

We'll be safe from dangers tonight
Pray for the oasis to arise
Hold on, don't scream
Sooner or later those skies will fade

Sooner or later
Sooner or later

Sooner or later
Sooner or later
