

#1 Fan

Adrian Marcel

I've been drinking, I've been smoking
I've been living like it's the weekend
Something about you girl got me tripping yeah
Never liked to swim and now I'm sinking, I'm sinking

I thought you believed in me baby
Mind's filled with old confusion
Don't know what we're really doing
Tell you my dreams, you looking crazy
Tell me what you feeling

Used to be my #1 fan in the stands, fan, fan in the stands
When everybody doubted you would scream "yes you can"
You were my cheerleader
My cheerleader

I just need my #1 fan
My #1
Used to be my #1 fan
Whoa-oh
Say you used to be my #1

I should never have to question you
I should never have to wonder
Damn you know that I'ma ride for you
You go under I go under
Tell me what I got to prove
Why you switching up your moves

I thought you believed in me baby
Mind's filled with old confusion
Don't know what we're really doing
Tell you my dreams, you looking crazy
I just need to know how you feel

Used to be my #1 fan in the stands, fan, fan in the stands
When everybody doubted you would scream "yes you can"
You were my cheerleader
My cheerleader

I just need my #1 fan
My #1
You used to be my #1 fan
Whoa-oh
I say you used to be my #1
