

## Bip City

Adrian Marcel

If I'm driving  
And this shit don't make me  
Mash the gas and start smashing  
Throw that shit out man  
Drive over the bay bridge  
Send that shit to Honolulu

I'm on a mission  
Bipping with no witness  
Dipping with your bitch  
And her six friends  
Slip and slide

This Bip City  
This go dumb  
Frisco thing with a  
Oakland swing and  
She might just go

Whip gone swing  
No tags on it  
Long hair so  
She grab on it  
No brakes  
All gas on it

Cause this go  
Stupid  
We don't need ID  
Straight to the VIP  
Eyes on you  
But the drinks on me

I'm on a mission  
Bipping with no witness  
Dipping with your bitch  
And her six friends  
Slip and slide

No intermission  
Make a quick decision  
Watch out before  
Your bitch go missing  
Slip and slide

Listen up  
Cartier frames cartier on his wrist  
Instead of bipping a window  
He bipping a bitch  
He got oil on his tongue  
He talk real slick  
He capable of making baby  
Come out her fit

Mack game crazy  
Dad  
He make her apologize

Every time he go bad  
Ain't no simping  
In the pimping  
Ain't no slacking  
In the macking  
Take the exit hit the corner  
In the traffic kayaking

Boots on the ground  
Scrapping the canvas  
Sleeves rolled up  
Hustle unanimous  
He take the soil with him  
Everywhere he place his cup  
She gone choose him  
Like a criminal lineup

Cause this go  
Stupid  
We don't need ID  
Straight to the VIP  
Eyes on you  
But the drinks on me

I'm on a mission  
Bipping with no witness  
Dipping with your bitch  
And her six friends  
Slip and slide

No intermission  
Make a quick decision  
Watch out before  
Your bitch go missing  
Slip and slide

I'm on her  
I'm on her  
I'm on her  
This Bip City  
Slip and slide

I'm on her  
I'm on her  
I'm on her  
This Bip City  
Slip and slide
