

Honey

Adrian Marcel

Honey
Sweetness in my soul
I just wanna taste every ounce of your love
Tell me when to go

Baby
Talk that shit to me
Whisper the desires of your heart
I wanna know
What's your fantasy

(Woah ooh girl)

I want to love you tonight
Tonight
Just let this love intertwine tonight
Tonight

(Can we do it that way)

Fire
The temperature is high
I wanna see the faces that you make when I kiss
Up and down your spine

(Woah woah)

Baby
Talk that shit to me, yeah
Do just what you want with your body
When I'm here, know that you're my freak

Woah ooh

Boy I just want to love you tonight
Tonight
Just let this love intertwine tonight
Tonight

(Can we do it that way)

Baby (oh oh oh)
Talk that shit to me (oh, oh oh, oh oh oh oh)
Guaranteed if you stay with me (oh oh oh)
I will show you some things you won't forget (oh oh oh)
(Won't, won't, won't forget)

(Woah ooh girl)
I just want to love you tonight
Tonight
Just let this love intertwine tonight
Tonight

(Can we do it that way)

(Oh, oh oh, oh oh oh)
(Oh, oh oh, oh oh oh)
