

Lovin Me

Adrian Marcel

With you, I feel paradise
You give me butterflies
Still, I can't help wondering
Through all your sacrifice, you stood by my side
But still, I can't help wondering
If you're still in love with me
'Cause I need you
To ease the stormy weather, it's me and you together
We were meant to be
'Cause I need you
I need you (I need you, baby)
'Cause, baby, I need you (I need you, baby)

I can't live this life without you
You're an intricate part of my life (Intricate part of my life)
Everything I am is all about you
And I pray you stay by my side (By my side)

So keep on loving me (The way you love me)
Loving me
The way, the way you do
Don't stop loving me ('Cause the way you're loving me)
Like you're loving me
The way, the way you do (Yeah)

Slow-dancing 'round the table
Our song's playing on the radio
Ooh, girl, it feels so right, yeah
It ain't too complicated (Nah)
Just wrap your arms around (Ah)
Ooh, there's that look in your eyes (Look in your eyes)

Ooh, I can't live this life without you
You're an intricate part of my life (You're intricate part of my life
)
Everything I am is all about you (Yeah)
And I pray you stay by my side (By my side)

So keep on loving me (The way you love me)
Loving me
The way, the way you do (The way you do)
Don't stop loving me ('Cause the way you're loving me)
Like you're loving me
The way, the way you do (Yeah)

Loving me (The way you love me)
Loving me (The way)
Loving me (You do)
Loving me (Loving me)
Loving me ('Cause the way you're loving me)
