

Pullin Up

Adrian Marcel

Baby, is you ready?
I'm 'bout to pull up
DJ Drama

Come on lady
I'm doing one hundred
On my way to you
(On my way to you, Marcel)
So put your heels
And girl get ready
I'm pulling up on you
(I'm pulling up)

We can beat the streets down
Baby you and me now
Sunset in my rearview
All my problems, they're shooed
Give me the Facetime
Little baby don't waste time
We ain't got no issue
See the signal tissue

She off that Hennessy
She got that energy
Put it in the backseat
Smack her on the ass cheek
We got that chemistry
Ain't got no shame in me
You ain't gotta ask me
Just send me the addy

Come on lady
I'm doing one hundred
On my way to you
(On my way to you)
So put your heels (put your heels on)
Girl get ready (girl get ready)
Pulling up on you
(I'm pulling up)
(Pulling up on you)

Something 'bout the nighttime
Searching but you can't find
How you'll always be mine
Put you in the spotlight
Me and you's a clear sign
Tell me that you'll be mine

Oh lady
I'm doing one hundred
On my way to you
(On my way to you)
(On my way to you)
So put your heels (put your heels on)
Girl get ready (girl get ready)
Pulling up on you
(I'm pulling up)

(Pulling up on you)

She off that Hennessy
She got that energy
Put it in the backseat
Smack her on the ass cheek
I'll keep you close to me
You'll be my centerpiece
You ain't gotta ask me
Just send me the addy now

Baby you and me now
Sunset in my rearview
