

# Runnin'

Adrian Marcel

Runnin runnin runnin  
Running with no where to go  
I'm callin callin callin  
Calling girl just come on home  
I can see it in your eyes at night  
I know you're broken  
I can feel it every time  
You cry at night so hopeless

Girl you cant keep runnin run away  
You can't keep runnin forever babe  
Don't know why your runnin run away  
Cant keep runnin forever babe

Girl you cant keep runnin  
I wanna love you babe  
Doing everything I'm tryna understand  
Why you runnin in and out of my life  
Wanna waste my time I'm tryna make it right  
Girl why you runnin cuz I wanna love u better  
And we could do this [?]  
Why you runnin in n out my life  
Wanna waste my time I'm tryna treat you right  
Stop runnin

Girl I wanna love you better  
Girl I wanna love you better  
Tell me tell me tell me  
Tell me where did we go wrong  
What got you runnin runnin runnin  
Runnin like u got no where to go  
Oh why oh why  
I love you in my heart n my soul I mean it  
So excuse me if its hard to let you go ain't easy

Girl you cant keep runnin run away  
Can't keep runnin forever babe  
Don't know why your runnin run away  
Cant keep runnin forever babe

Girl you cant keep runnin  
I wanna love you babe  
Doing everything I'm tryna understand  
Why you runnin in and out of my life  
Wanna waste my time I'm tryna make it right  
Girl why you runnin cuz I wanna love u better  
And we could do this [?]  
Why you runnin in n out my life  
Wanna waste my time I'm tryna treat you right  
Stop runnin

Girl I wanna love you better  
Girl I wanna love you better

There you go again with the games  
Different day the shits still the same  
You said you wanna leave

That's how you deal with pain  
You say you wanna love  
But the fear remain  
N I gave u all that u asked  
Fast cars and them bags  
Took you out forever 21  
Now you shopping at sacs  
But all I get is yo ass  
From that bullshit and your past  
All them other niggas you fucked with  
Known for doing that fuck shit  
But all I do is function  
And I ain't playing no games  
Imma let you just keep runnin  
And imma stay in my lane
