

So Good

Adrian Marcel

The way you glide
Love the way you feel yourself
You know you're fine
This is so surreal
I can't believe you're mine
To find you I would travel through space and time
All just to show you

The way I feel
Ain't no sense in looking
When I know what's real
You so independent
You got sex appeal
Want your body and mind to be close
Lay on me

Say you wanna ride
You know I'm with it
If I blow your mind
You won't forget it
You came right on time
Gave me a feeling
It's so, it's so, it's so...

It's so good, so good
It's so good, it's so good
It's so, it's so, it's so

I'm your little superstar
You always find me
Anytime I'm acting up
You remind me
I do ratchet shit with my homegirls
But you tame me
When I'm in your world
When I touchdown
You know that I mob with you
I'll be hella cool when I slide with you
First day that I saw you
I knew that I was going to give my all to you

You're a boss tycoon
You don't never be the loudest in the room
You know I like to catch flights zoom
But you know I'm coming back soon
You know that I'm really her
And I know that you're really him
On citas that's my word
That's my word for real

Say you wanna ride
You know I'm with it
If I blow your mind
You won't forget it
You came right on time
Gave me a feeling
It's so, it's so, it's so...

It's so good, so good
It's so good, it's so good
It's so, it's so, it's so
