Adrian Marcel

Your call has been forwarded to an automatic voice message system.

Adrian, look. I know you said that you need some space right now, but I mean, shit... were you for real for real, because you gotta stop answering your phonecalls? Does that really mean that we can't be cool no more, or I can't come by, like... we gon' still be together, Adrian, I'm for real. 'Cause we're not over until I say we're over! Look, I don't wanna break up, you know, like, you know? I don't wanna be with nobody else... so, just answer your phone, Adrian.
