

# Anything

Adrianne Lenker

Staring down the barrel of the hot sun  
Shining with the sheen of a shotgun (shotgun)  
Carol has a little if we need some  
Joa has a ride if we wanna come

Hanging your jeans with a clothespin  
Skin still wet still on my skin  
Mango in your mouth, juice dripping  
Shoulder of your shirtsleeve slipping

Christmas eve with your mother and sis  
Don't wanna fight but your mother insists  
Dog's white teeth slice right through my fist  
Drive to the ER and they put me on risk

Grocery store list, now you get pissed  
Unchecked calls and messages  
I don't wanna be the owner of your fantasy  
I just wanna be a part of your family

And I don't wanna talk about anything  
I don't wanna talk about anything  
I wanna kiss, kiss your eyes again  
Wanna witness your eyes looking  
I don't wanna talk about anyone  
I don't wanna talk about anyone  
I wanna sleep in your car while you're driving  
Lay in your lap when I'm crying

Circle of pine and red oak  
Circle of moss and fire smoke  
Fan on the ceiling like a wheel spoke  
Push the clutch in and I pull the choke

Wanna listen to the sound of you blinking  
Wanna listen to your hands soothe  
Listen to your heart beating  
Listen to the way you move

And I don't wanna talk about anything  
I don't wanna talk about anything  
I wanna kiss, kiss your eyes again  
Wanna witness your eyes looking  
I don't wanna talk about anyone  
I don't wanna talk about anyone  
I wanna sleep in your car while you're driving  
Lay in your lap when I'm crying

Weren't we the stars in Heaven  
Weren't we the salt in the sea  
Dragon in the new warm mountain  
Didn't you believe in me?

You held me the whole way through  
When I couldn't say the words like you  
I was scared Indigo but I wanted to  
I was scared Indigo but I wanted to

And I don't wanna talk about anything  
I don't wanna talk about anything  
I wanna kiss, kiss your eyes again  
Wanna witness your eyes looking  
I don't wanna talk about anyone  
I don't wanna talk about anyone  
I wanna sleep in your car while you're driving  
Lay in your lap when I'm crying
