

# Come

Adrianne Lenker

Come help me die, my daughter  
Walk me beside the river to the beach  
Take a branch with your knife  
Take my left with your right

Don't be afraid, my girl  
Take me into the shore  
I'm not cold, I'm not cold  
Take my hand, take a hold

Let me lie on your arms  
I'm weightless in the sea  
Up to my ears the salt sits  
In a circle around me

Take my life into your life  
Take a branch with your knife

Come help me die, my daughter
