No one can be my man  
Be my man, be my man  
Be my man, be my man  
Be my man  
No one can be my woman  
Be my woman, be my woman

One ear to the ground  
One dog at my neck  
One tongue to my tongue  
Wanting to protect me from  
From

No one can be my man  
Be my man, be my man  
Be my man, be my man  
Be my man, be my man  
No one can be my woman  
Be my woman, be my woman

One ear to the floor  
My dog barking loud  
I couldn't tell for sure  
Where the screaming sound  
Was coming from  
From

One ear to your womb  
Puppy on the floor  
Baby's coming soon  
I wonder if she'll know  
Where she's come from
