

# Release Yourself

Adrianne Lenker

Let go, let it all go  
Leave it, leave it alone

No need to worry, there's no time to hurry  
Life's so much better when you take things slow

Just throw all of your fears away  
Tomorrow is another day  
You think too hard and live too small  
Release yourself from it all  
Throw all of your tears away  
And choose to live a brighter day  
You're stuck with how you choose to see  
Release yourself

Breathless from running too fast  
Lay back and learn to relax

No need to worry, there's no time to hurry  
Life's so much better when you take things slow

Just throw all of your fears away  
Tomorrow is another day  
You think too hard and live too small  
Release yourself from it all  
Throw all of your tears away  
And choose to live a brighter day  
You're stuck with how you choose to see  
Release yourself, release yourself

Don't miss the moments passing by, collect them one by one  
And keep them in your heart so that they'll warm you like the sun  
Warm you like the sun

No need to worry, there's no time to hurry  
Life's so much better when you take things slow

Just throw all of your fears away  
Tomorrow is another day  
You think too hard and live too small  
Release yourself from it all  
Throw all of your tears away  
And choose to live a brighter day  
You're stuck with how you choose to see  
Release yourself

Throw all of your fears away  
Tomorrow is another day  
You think too hard and live too small  
Release yourself from it all  
Throw all of your tears away  
And choose to live a brighter day  
You're stuck with how you choose to see  
Release yourself

Let go, let it all go
