

# Tell Me That You Love Me

Adriano Celentano

Tell me that you love me  
Tell me that you care  
Tell me when I want you  
You'll be waiting there  
Because I need you like I want you  
I want you like I need your love

Well, tell me you're my baby  
Tell me you're my lover  
Tell me you will shine, dear  
Like the stars above  
Because I need you like I want you  
I want you like I need your love

Tell me that you love me and I will be so true  
Tell me that you care and I'll be true to you

Well, tell me you're my baby  
Tell me you're my lover  
Tell me you will shine, dear  
Like the stars above  
Because I need you like I want you  
I want you like I need your love

Tell me that you love me and I will be so true  
Tell me that you care and I'll be true to you

Well, tell me you're my baby  
Tell me you're my lover  
Tell me you will shine, dear  
Like the stars above  
Because I need you like I want you  
I want you like I need your love  
Your love  
Your love
