Bad Ideas

ADULT.

Predictions are in, nonsense seems to win
The air can get so tense when directions make no sense
Common sense is then and not so common anyway
Could have figured it out right then
Don't speak another

It's just ringing off the hook, always telling the same story t wice

Cover it up by being so nice

Just this once

Wishing for the worst, wouldn't be the first time

You've given me a

Bad idea

Lock into the same, piggyback the name Leeching on, reaching in It's just too easy to be so accident-prone Should figured it out right then

You gave me ideas, bad ideas
Ideas I had never had before
I had never had bad ideas like this before
My ideas weren't like this
Do you know what it's like to have ideas like this?
Bad ideas, quite possibly the worst
