

Been Thru

Ady Suleiman

Lovin' ain't easy
Baby you don't need to hide
I can see that you're workin'
Maybe we can spend some time
And I know that you're busy
And you gotta work late nights
But maybe one evenin'
I can take it off in my heart

And I know
That you think you heard this before
How do you not know you're so good
Never seen someone so beautiful
I don't wanna waste no time
I just wanna make your world shine
How do you not know you're so good
Never seen someone so beautiful

I just wanna know what you're into
Know what you're into
Know what you're into
Girl I don't know what you been thru
Know what you been thru
Know what you been thru
Baby it don't matter where you been to
So where you been to?
Girl where you been to?
Lady I know that I'm into
Know that I'm into
Know that I'm into you

And it's all good, it's alright
You ain't gotta worry mama, we'll be fine
Said it's all good, it's alright
You ain't gotta worry sugar, we'll be fine

They say nobody's perfect
But you are in my eyes
I love your body
I love the way you make your mind
Said girl there's no question
We're really one of a kind
All that I'm thinkin'
[?] I wanna make you mine

And yeah, I know
That you think you heard this before
How do you not know you're so good
Never seen someone so beautiful
I don't wanna waste no time
I just wanna make your world shine
How do you not know you're so good
Never seen someone so beautiful

I just wanna know what you're into
Know what you're into
Know what you're into

Girl I don't know what you been thru
Know what you been thru
Know what you been thru
Baby it don't matter where you been to
Girl where you been to?
'Cause I know, yeah yeah, that I'm into, oh

I just wanna know, yeah, yeah, yeah, yeah
(Know what you're into
Know what you're into
Know what you're into)
(Know what you been thru
Know what you been thru
Know what you been thru)
Baby it don't matter where you been to
(So where you been to?)
Lady where you been to?
Know that I'm into you my lovely love
(Know that I'm into you
Know that I'm into you)

Come on, I just wanna know
(It's all good, it's alright
You ain't gotta worry mama, we'll be fine)
No, no, no, no
(It's all good, it's alright
You ain't gotta worry sugar, we'll be fine)
Baby it don't matter no
(It's all good, it's alright
You ain't gotta worry mama, we'll be fine)
It don't matter where you've been to yeah
(It's all good, it's alright
You ain't gotta worry sugar, we'll be fine)
