

Say So

Ady Suleiman

I see you soon as I come through
First thing I think when I walk in that room
Is fuck this girl's so beautiful
I wonder if you'll look back at me too
You never do

I wanna tell you why you should come over for the night
But when I catch your eye I get this feeling from inside
It's like rough this shit ain't wise
You should want not like her
Wish I could decide

I wonder should I say so
I want to but I never know how to
I'll try again tomorrow
I hope that one day I do tell you
I wonder should I say so
I want to but I never know how to
I'll try again tomorrow
I hope that one day I do tell you
I wonder should I
I wonder should I say so
(Say so, Say so, Say so)
I wonder should I, hm
I wonder should I say so
(Say so, Say so, Say so)

On my mind always on my mind
And I don't even know your name or what you like
What you like
But still, I wanna hold you like you're mine
Cause I know if I don't tell you exactly how I'm feelin'
I'll regret so I must try [?] breath
Need to find my confidence
But I don't have it at the moment
Where'd it go? I'm only like this when I see you

I wonder should I say so
I want to but I never know how to
I'll try again tomorrow
I hope that one day I do tell you
I wonder should I say so, yeah
I want to but I never know how to
(I never know how to)
I'll try again tomorrow
(Tell you, tell you my love)
I hope that one day I do tell you
I wonder should I, yeah
I wonder should I say so, yeah
I wonder should I, hm
I wonder should I say so, yeah

Yeah yeah
Should I tell you, love
Should I tell you, love
Oooh ooo yeah, yeah
Babe ooo

I wonder should I say so
(Yeah yeah, I wonder should I)
I want to but I never know how to
(Oh, should I say so my love)
I'll try again tomorrow
I hope that one day I do tell you
(Yeah, yeah)
I wonder should I say so
I want to but I never know how to
(Yeah, yeah, yeah, ooh, yeah)
I'll try again tomorrow
(Oh should I say so oh oh)
I hope that one day I do tell you
I wonder should I
I wonder should I say so
I wonder should I, hm
I wonder should I say so
(Say so, Say so, Say so)
(Say so, Say so, Say so)
