

# What About Love

Aegis

I've been lonely  
I've been waiting for you  
I'm pretending  
And that's all I can do  
The love I'm sending  
Ain't making it through to your heart

You've been hiding  
Never letting it show  
Always trying  
To keep it under control  
You got it down  
And you're well on your way to the top  
But there's something that you forgot

What about love?  
Don't you want someone to care about you?  
What about love?  
Don't let it slip away  
What about love?  
I only want to share it with you  
You might need it someday

I can't tell you  
What you're feeling inside  
And I can't sell you  
What you don't want to buy  
Something's missing  
And you gotta look back on your life  
You know something here just ain't right

What about love?  
Don't you want someone to care about you?  
What about love?  
Don't let it slip away  
What about love?  
I only want to share it with you

What about love?  
Don't you want someone to care about you?  
What about love?  
Don't let it slip away  
What about love?  
I only want to share it with you

Love, love, love, oh love  
Love, love, ooh  
What about love?  
Love, love  
What about, what about love
