

When I Need You

Aegis

Hey
Yeah yeah yeah

When I need you
Just close my eyes and I'm with you
And all that I so want to give you
Is only a heartbeat away

When I need love
I hold out my hands and I touch love
I never knew there was so much love
Keeping me warm night and day

Miles and miles of empty space in between us
A telephone can't take the place of your smile
Hmm, but you know I won't be traveling forever
It's cold out, but hold out and do I like I do

When I need you
I just close my eyes and I'm with you
And all that I so want to give you, baby
It's only a heartbeat away

It's not easy when the road is your driver
Honey, that's a heavy load that we bear
Hmm, but you know I won't be traveling a lifetime
It's cold out, but hold out and do like I do

When I need love
I hold out my hands and I touch love
And I never knew, I never knew
There was so much love
Keeping me warm night and day

Ooh when I need you
(Just close my eyes when I need you)
I just close my eyes
(And all that I so want to give you)
I can find myself
(Is only a heartbeat away)
When I need, yeah yeah yeah
(Just close my eyes when I need you)
Will need
(And all that I so want to give you)
It's only a heartbeat away

When I need, yeah yeah yeah yeah
(Just close my eyes when I need you)
Will need
It's only a heartbeat away
