

## Biblewhore

Aeon

I laugh at you bible whores  
Slave bastards you are  
Living a lie under god

I laugh at your Jesus Christ  
Open your eyes  
He looks so pathetic weak nailed to his cross

Like zombies you enter the church  
One after one in a line  
To recieve what the priest has in mind  
Feeding a story of lies

I laugh at your holy priest  
With your church you will die  
Fire will devour your home

I will laugh when I see you dead  
Flames melting your skin  
Smell of victory

Like zombies you enter the church  
One after one in a line  
To recieve what the priest has in mind  
Feeding a story of lies

Priest howling in church about something they think they know s  
o much about bible whores  
Satisfied people they exit the church living a lie under god  
God and his bible will mess up your head like a priest you will  
suck Jesus cock  
Live under Satan and live as you want or forever live as bible  
whores

I laugh as I see you pray  
How silly you look  
The candles you light I blow out

I laugh when I hear you sing  
Those songs for your god  
No one will ever save you

God's bible whores. I laugh at them all. five dollar whores  
Too blind to see. Reality.
