

# Forgiveness Denied

Aeon

On your knees you plead forgiveness  
Denied

You say that you are the link between man  
God and the carpenter Christ  
Holding the words of your God in your hand  
Preaching them all to your kind  
Those empty words do not please you anymore  
Young skin is what you lust for

Priest you disgust me  
On your knees  
Plead for forgiveness  
Forgiveness denied

You are the worst kind of liar that is  
You deceive deceive your people with lies  
How can you stand there and preach about life  
while crushing a defenceless child  
Touching young children and even your own  
Priest bastard I want you dead

Priest you disgust me  
On your knees  
Plead for forgiveness  
Forgiveness denied

Execute the bastard priest  
Do not listen to his plead  
If it all was up to me  
The priest bastard he would not live  
I would show no mercy

Shove his Jesus up his ass,  
fill his lungs with holy water  
I invite your victims  
so they all can join the fucking slaughter

Forgiveness denied  
Kill the bastard

You say that you are the link between man  
God and the carpenter Christ  
Holding the words of your God in your hand  
Preaching them all to your kind  
Those empty words do not please you anymore  
Young skin is what you lust for

Priest you disgust me  
On your knees  
Plead for forgiveness  
Forgiveness denied

You must be put to death  
a horrible painful death die

Maybe your God forgives and your religion too

but I know I want you dead and your religion too  
You serve no purpose here  
purest bastards I want you dead
