

## Be The One

Aeris Roves

I thought that I could be the one  
To be there when you needed some love  
I thought that I could be the one  
Revealing all the feelings tied up

But you never say how you feel  
Nah you never say how you feel, nah nah  
It's easy to keep it concealed  
But its easier just to reveal

And I don't wanna waste my time  
Do I have be be eager, I  
I be doing all at my five  
And I don't know what I'll find, find

You say you don't want an indifference  
So say what you need and I'll listen, to you  
You say you don't want a collision  
But you're not really heading my vision, yeah

And I don't wanna waste my time  
If you don't wanna come by  
I don't really want you on my mind  
And I don't really want you in my life, life
