She was a tall whiskey glass

D **E**
I was an old hound dog that just loved to chase his tail

D **A** **E** **B**
Until I met a blind man who taught me how to see, yeah

D **A** **E**
A blind man who could change night into day

D **A** **E** **B**
And if-a I can, I'm gonna make you come with me, yeah

D
Cause a-here comes the sun and we'll be chasin' all the clouds away

Yeah yeah yeah yeah yeah yee yeah yeah
I've had some lovers like a joy ride

B **E** **F#**
Some thing are never what they seem

A **D** **F#m**

D **A** **E**
Blind man who could change night into day

D **A** **E** **B**
And if-a I can, I'm gonna make you come with me, yeah

D

E **F#m** **E** **D**
So please chase harder and drink all the flowers dry

E **F#m**
We'll be savin' us a little money

G **A**
And if that doesn't do it, yeah, I know the reason why

D
Don't make no sense lightin' candles, ah

B **A** **G**
There's too much moonlight in your eyes

E **B** **F#** **C#**

I met a blind man who taught me how to see, yeah

E **B** **F#**

Blind man who could change night into day

E **B** **F#** **C#**
